

Title: I Love Stone Harbor

On the way to Stone Harbor, I like to play the license plate game and hear "On the Way to Cape May". I love Stone Harbor! It is so fun. I like to play at the beach with my brother, Ryan. We like to play in the ocean, see our cousins, and go to the Fudge Kitchen. I like the samples. I like the bay. I see turtles, osprey, and sand sharks (but not that often). I like to walk at the Point. When I walk at the point I like to rescue horseshoe crabs by putting them back in the water. I like going on walks and hunting for sea glass. Sometimes at the Point, I find sand dollars and whelk shells. I like to hear the ocean inside of them. I stay at Hall Harbor. I have so much fun at Stone Harbor. I can't wait to go back again!
