

Stone Harbor Haikus by Zoey K. (Age 12)

Stone Harbor's the best

It is welcoming and fun

I love Stone Harbor

With laughter and glee

The town's small but filled with joy

With Springers and Hoys

The beach is happy

The Point is so beautiful

The water feels good

Friends and family

Come bringing love and laughter

Chips, Hot dogs, Burgers

We play fun games like

Basketball, Football, 4-Square

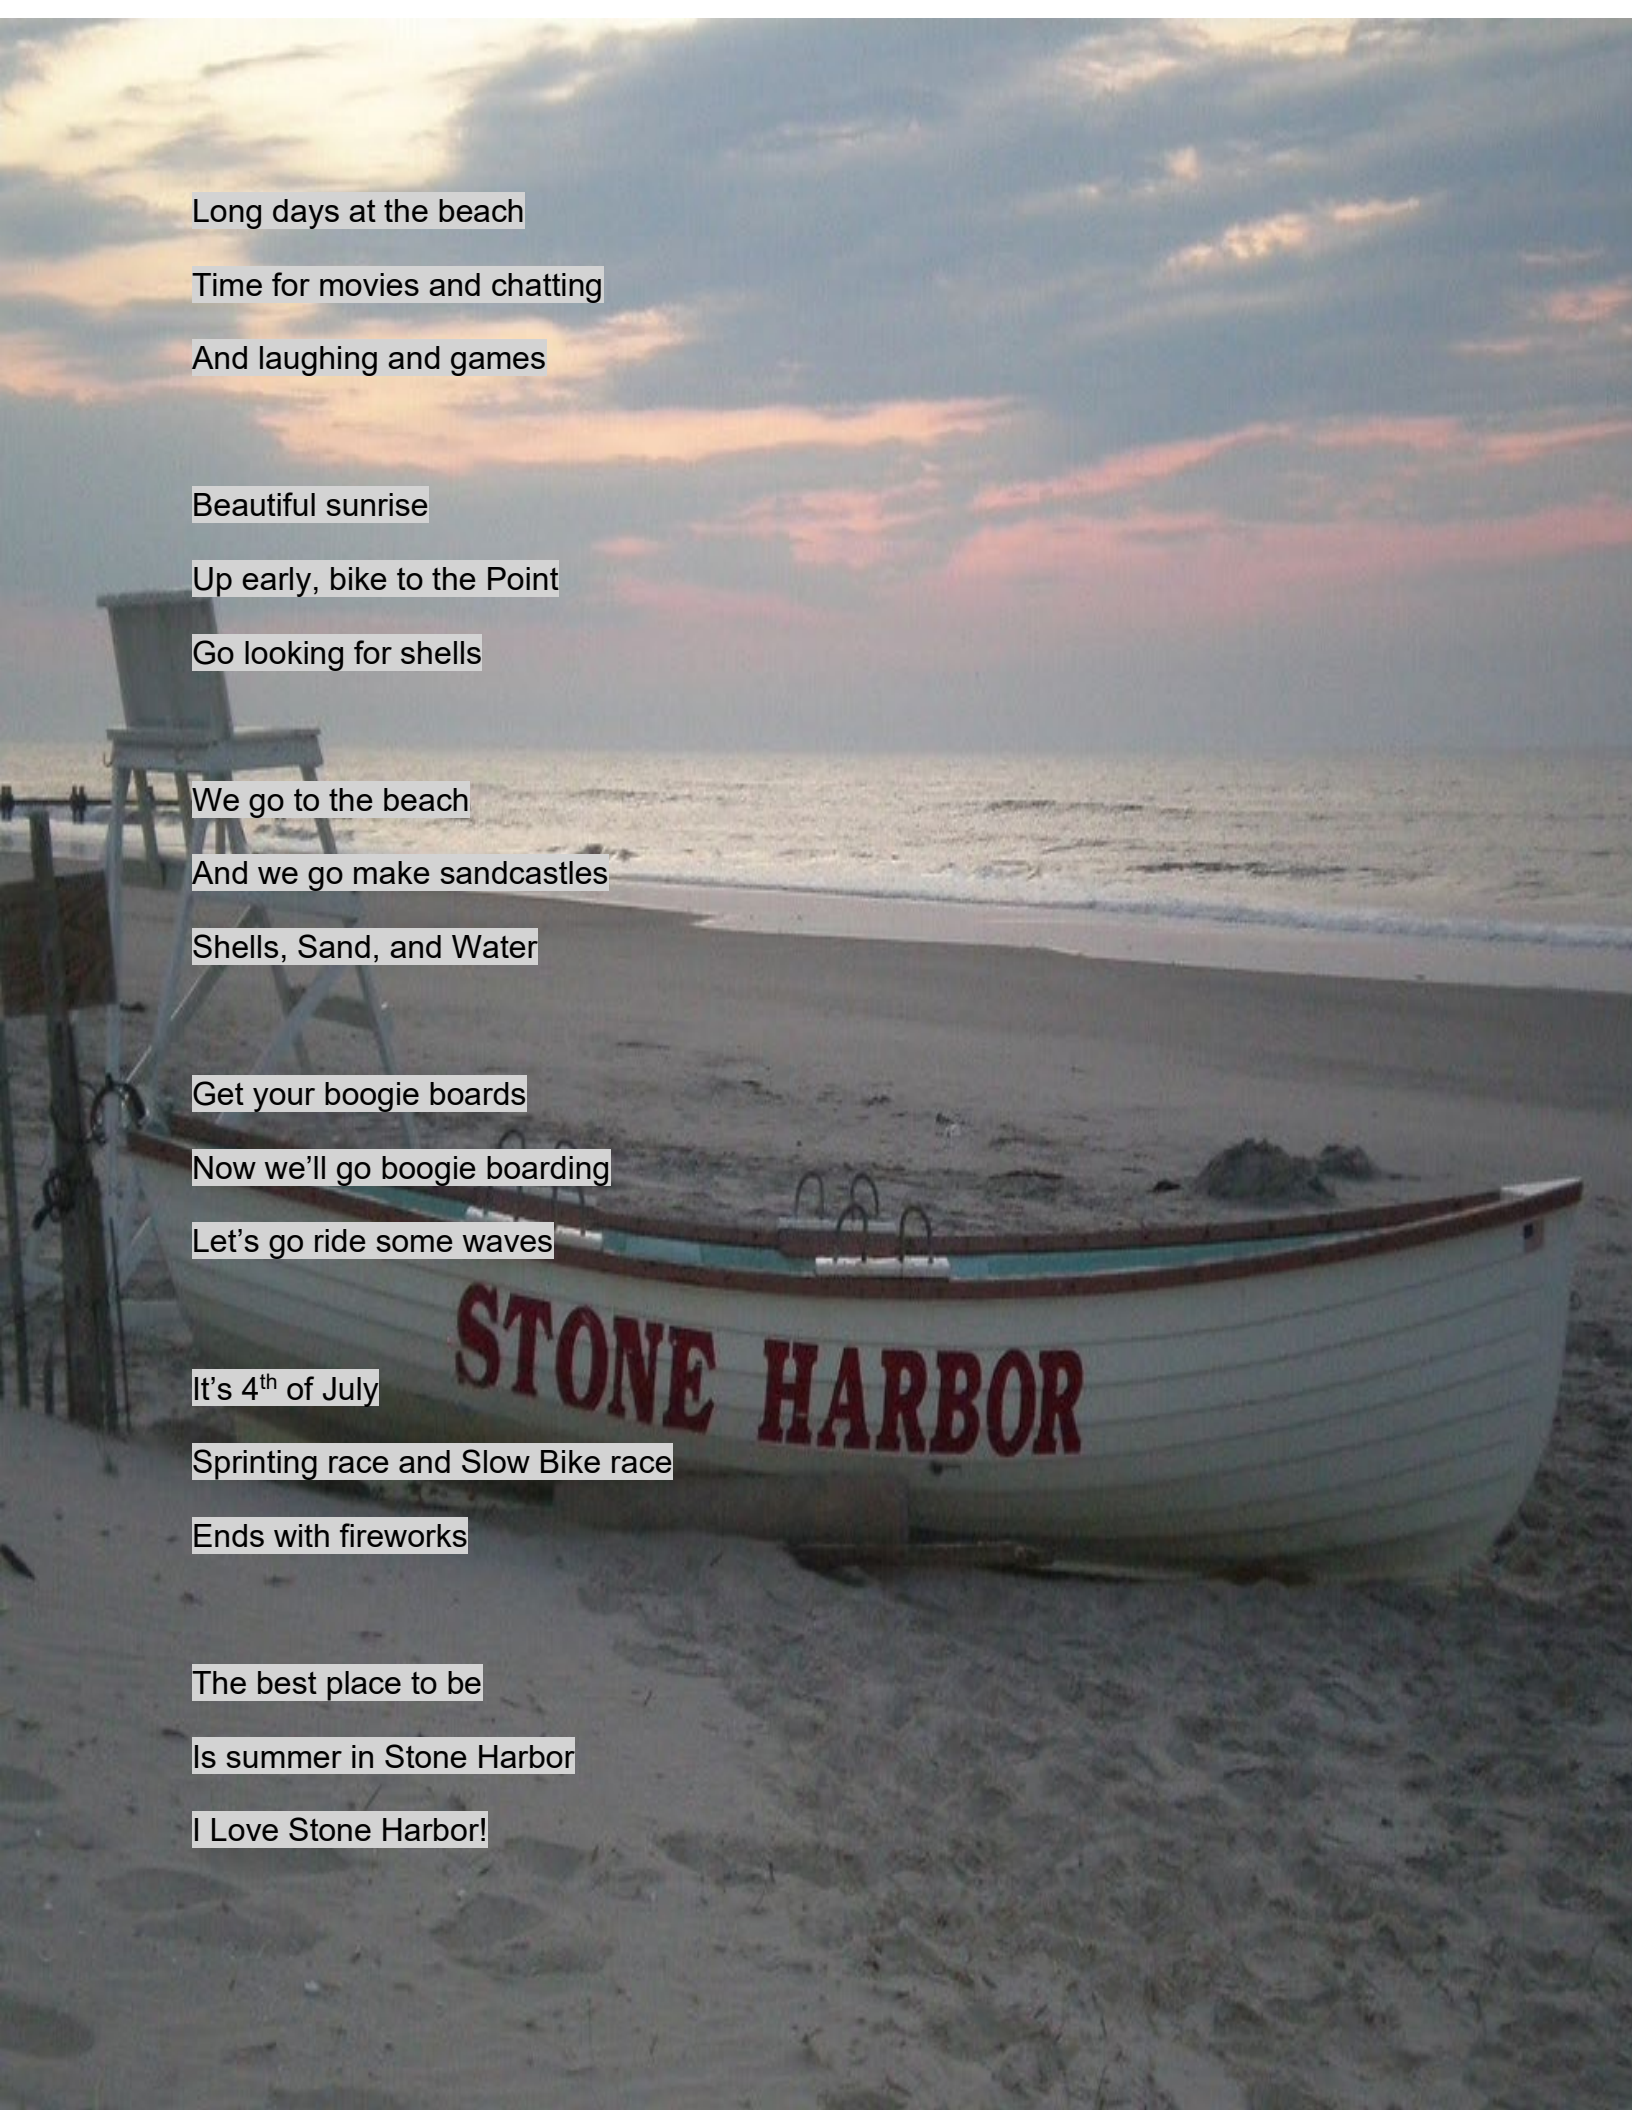

Which are very fun

It tastes delicious

Eating ice cream on the beach

Dripping down your chin

Long days at the beach

Time for movies and chatting

And laughing and games

Beautiful sunrise

Up early, bike to the Point

Go looking for shells

We go to the beach

And we go make sandcastles

Shells, Sand, and Water

Get your boogie boards

Now we'll go boogie boarding

Let's go ride some waves

It's 4th of July

Sprinting race and Slow Bike race

Ends with fireworks

The best place to be

Is summer in Stone Harbor

I Love Stone Harbor!
