

How we put your donations to work...

Fantastic Films If you haven't come in to the Museum to see our film shorts by Jim Talone about the history of the Island, you are missing a real treat. We play these every day at the Museum, and you learn something every time you watch them. With the renovations, we have added a 90" screen so that every seat in the house is a good one. Plus, besides the film shorts, we periodically show feature films like *Miracle on 81st St*, *Hard Times*, and *Boys in Glass Houses*. Check our calendar and website for these upcoming events

Interesting Talks & Speakers Some of our best nights at the Museum are when we have different speakers to come in and remember along with the audience. Subjects have included Villa Maria, 911, and restaurants. You never know who will show up to share their memories.

Exhibits Whether you're inside or outside of the Museum, we want it to be interesting for you and an opportunity to learn something or spark up a memory for you to enjoy.

Children's programs Our scavenger hunts have been a huge hit with the wonderful children who have stopped in to see us. This year, prizes at the end of the hunt will be sponsored each week by a different Stone Harbor merchant. We are also planning a craft/reading time for children 3-8. Check out the website for times and dates!

Curating Our obligation is to care for and catalog the precious items that come to us. We have committed to a system to catalog these items and are currently looking for individuals to input the data. We are making this a top priority for the next few years.
